Air Link's Annual EMS Educational Opportunity:

It's our turn to give back to you!

Features include but are not limited to:

- *Pre-hospital pediatric care
- *Blast/Crush injuries
- *Hemorrhage control
- *STEMI recognition
- *Tight space extrication
- *Pediatric skills

Nominations are currently being accepted for the Guiding Light and Impact Awards. If someone in your department or hospital has made a difference in your organization, send your nomination to Tracy.Meyer@rwmc.net. Please see more information and the nomination form at rwmc.net/airlinkawards. The Guiding Light and Impact Award winners will receive \$1,000 to donate to their nominating EMS group or hospital. Deadline for nominations is Sept. 1. The winners will be announced Sept. 13.

EMS continuing education hours will be offered.

This education opportunity is made possible in part through a grant from the Nebraska Emergency Medical Services Program (NEMSP). The NEMSP does not discriminate on the basis of gender, race national or ethnic origin, religion, marital status, age, or disability.
